To Whom It May Concern:

In my capacity as an Interior Designer specializing in decorative paint finishes of all genres, I have worked with Karl Saxon of Creative Colours for almost 19 years.

We have collaborated artistically and Karl has carried out the work with total dedication to detail, always strives for perfection, and treats all clients with the utmost integrity.

He deserves the recognition that his many awards have brought to him – not only for his artistic talent but for his sheer hard work at the highest level at all times.

He is a truly a *Painter Extraordinaire* !!
