RE: Mr. Karl Saxon – Creative Colours

To Whom It May Concern:

I am pleased to provide a reference for Mr. Karl Saxon, Proprietor of Creative Colours, Master Painters and Decorators.

Karl settled in Western Australian approximately 20 years ago and shortly thereafter established his painting business here in Perth.

During this time, Karl and his team have earned an excellent reputation for producing extremely high quality work, both in residential and commercial buildings and Karl is a superb landscape artist in his own right.

Over the last 10 years, my company, family and I have used Karl's business to decorate our office building, investment properties, my children's town houses and our last two homes, both internally and externally, all of which have been completed in an extremely professional and timely manner.

The attention to detail and an ability to work methodically, meet stipulated deadlines and to accurately colour co-ordinate differing projects has been to our complete satisfaction, and this high standard has assisted Karl Saxon in winning multiple awards, including the "2007 Master Painter of the Year" which is a fantastic achievement.

I have no hesitation in recommending Karl Saxon and the Creative Colours team to anyone who is seeking a highly professional and reliable end product.

Yours faithfully,
