KARL SAXON - CREATIVE COLOURS PAINTING

It is with much pleasure that I accede to a request to provide a reference for Karl Saxon of Creative Colours Painting.

Karl has provided a painting service for my companies for approximately 15 years and I have found his work to be of an excellent standard. Karl has been particularly good on difficult jobs which required additional attention to detail.

On a personal level, I have found Karl to be totally trustworthy and honest. Both he and his assistant are a pleasure to have on premises as they are very happy, positive people.

I would be happy to enlarge on this should it be needed.

Yours faithfully
